

## Application for a Community Table Stall

The opportunity is offered for small back yard growers with limited amounts of produce, registered charities, incorporated not-for-profit organisations, local schools (or other education providers) and other Barossa community groups or organisations to attend the farmers market on an available stall, on a once off or occasional basis.

- When the community stall holder wishes to use a community table on a regular basis (greater than 4 times per year), then an application to become regular stallholder will be required with regular fees payable.
- Products being sold must adhere to the Barossa Farmers Market's ethos.
- All community table holders will be measured against the current market mix, so they do not compromise existing stallholder businesses.
- All community stall holders who are growers must complete relevant sections of the stallholder application form and must be a market member.

### Contact Details:

Stall Name.....

Contact Person: .....

Address .....

.....

Contact Phone.....

Email.....

Community Group/Business Type.....

ABN (if applicable).....

Are you already a current Barossa Farmers Market member?    Yes
