

Barossa Farmers Market Demo Kitchen: Calling All Applicants!

Join us in celebrating the bounty of fresh, local produce at the Barossa Farmers Market Demo Kitchen! We invite passionate individuals to share their culinary expertise, promote their businesses, and inspire market visitors with mouthwatering demonstrations.

Why Participate? The Demo Kitchen offers a platform to showcase market produce while providing valuable educational content to our visitors. It's a chance to shine a spotlight on your business and products sourced from the market.

What You Need to Know:

- Demos run for approximately 30 minutes on Saturdays, starting between 9-9:30 am, scheduled with the Market Manager.
- Setup begins one hour before the demo.
- Demo hosts provide all food items, including market produce, and must handle cleanup.
- Samples are encouraged for tasting, ensuring an interactive experience.
- Inform the Market Manager if you require assistants or an MC for the day.

Food Safety Measures:

- Ensure samples are pre-cut away from attendees and dispensed hygienically.
- Provide allergen information for sensitive individuals.
- Handle food with care to prevent contamination.
- Maintain proper temperature control for high-risk foods.

Equipment Information:

- The kitchen comes equipped with induction cooktops, microwave, fridge, and oven.
- Additional equipment must be supplied by hosts and tested before use.
- A PA system and mics are provided by the Farmers Market.

Terms & Conditions:

- Discuss equipment brand promotion with the Market Manager beforehand.
- Only Barossa-based businesses can utilize the kitchen.
- Under 18s need adult supervision and food safety certification.
- Focus on food preparation, with an educational and entertaining demo.

What We Need From You:

- Confirm demo timing and theme beforehand.
- Provide logo artwork for promotion.
- Display allergen warnings during the demo.
- Submit recipes within seven days after the demo for the newsletter.
